ARREST OF A NOTORIOUS BURGLAR. - On information from this city a notorious burglar was arrested in Augusta, Ga., and brought here yesterday. Sin e September last he has perpetrated no less than thirteen burglaries in Charleston. For the present it is deemed prudent to refer to the matter lightly. It is known, however, that he has committed the following burglariee: September 27, No. 152 Meeting street; October 18, No. 39 George-street; October 19; No. 13 Judith-street; October 23, corner Cannon and Rutledge streets; October 25, No. 220 Meeting-street; October 27, No. 29 President-street; October 29, No. 25 Anson-street; November 21, corner Reid and America streets: November 26, No. 103 St. Philipstreet; November 27, corner Smith and Montague streets; November 30, corner Warren and Coming

THE THEATRE.-Last night Mr. and Mrs. Harry Watkins appeared to a full house, notwithstanding the weather was inclement, in their great specialty, Kothleen Mayourneen, an Irish drams replete with truthful and charming. pictures of domestic life in the Emerald Isle. Throughout the varied phases of the piece, depicting Irish character, homes and hearts. Mr. and Mrs. Watkins acted with great pathos and humor. The scene at the Black Orag. and especially the meeting in the prison, were finely wrought pictures of real life. The company geno rally, which is a very good one, sustained itself in an exceedingly creditable style. To-n'ght will be presented the beautiful domestic drama of Lilly of Killarney, or a Mother's Prayer, one of the most intensely interesting plays of the modern stage. The evening will close with the laughable comedictta, "To Oblige Benson," or ' The Adventures of a Love-

THE WORLD'S WEEK OF PRAYER.—This weekso interesting to the Christian world, in that it sees Christians of every language united in the one language of prayer for the same great objects-was appropriately introduced by a union service at St. Luke's Episcopal Church on Sunday evening. Although the night was inclement, and there were services in many other churches, yet the spacious audience manifested undiminished interest in a service which lasted nearly two hours. Rev. W. O. Prentiss conducted the meeting, and made the opening address. Addresses were made also by Rev. Mr. Drayton and Rev. John T. Wightman, and prayer offered by Rev. Messrs. Gadsden, Bowman and Vedder. The addresses were appropriate and eloquent, and the entire services impressive. We observe also among the clergymen within the altar, the Rev. Dr. Smythe, who dismissed the congregation with the benediction, and Rev. W. H. Adams. Large as was the number of ministers present, it would bave been much larger but for the necessary presence of

many at evening service in their own churches.

The meeting last night was held in Trinity Church, Hasel-street. A large number of clergymen were present. We notice Rev. Drs. Smythe and Winkler, Rev. Messrs. Gadsden, Williams, Wightman, Prentiss, Adam , Bowman, Vedder and Mouson. Dr. Winkler conducted the meeting. As many participated as time permitted.

The meeting to-night will be at the Citadel Square Church. The subject is, "The removal of the prevailing evils of the times." There will also be a union meeting at the Circular

GROVER & BAKER'S FAMILY SEWING MACHINES.

THE VERY HIGHEST PRIZE—THE IMPERIAL Cross of the Legion of Honor—was conferred upon the representative of the GROVER & BAKER SEWING MACHINES at the Exposition Universelle,

SEWING MACHINES at the Exposition Universelle, Paris, 1867.

The GROVER & BAKER FAMILY SEWING MACHINES are the only Machines that can both sew perfectly and embroider perfectly.

They sow with threads direct from the spool, and require no re-winding.

Unlike other Machines, those farten both ends of the seam by their own operation.

With these Machines, while silk is used upon the right or face-side of the seam cotton may be used upon the other side. This can be done on no other Machine, and is a great saving upon all articles stitched or made up with silk

GROVER & BAKER'S SEWING MACHINES are sold at New York prices by
